

## **7 MOUNTAIN PRAYER DIRECTIVE FOR WYOMING**

From the 7 Mountain Strategy and the 'fruit' found in Galatians 5:22

**Sunday** focus of **Religion** fruit of **Faithfulness** All Counties, State, & Nation

Pray at as many different churches in your community as possible, including your own. Go to locations where other gods are worshipped and proclaim that Jesus Christ is god and Lord alone over your city our state and this nation; we will have NO other gods before HIM.

We declare that the people of Wyoming will begin to experience personal revival and commit their lives to God and His Purposes! They will release that revival out of the walls of the church to our state.

Godly sorrow and repentance will come first to the Wyoming church then out to the whole population.

We ask for the fear of man to be replaced by a true fear of the Lord, and to bring forth divine wisdom and strategies on how to engage the culture to answer questions and give solutions to the real problems of life.

We pray that there will a release of Faithfulness to the Body of Christ in Wyoming!

**Monday** focus of **Family** fruit of **Love** Region 1: Carbon, Natrona, Converse, Niobrara

Pray with your family today. Walk and pray in your neighborhood and over individual homes and the families within. If you are holding a corporate prayer meeting today, make it a family-friendly time and include the children of all ages in public prayer at the meeting.

Wyoming stands for the protection and healing of marriages that are under financial, emotional, and physical stress and we stand against division, divorce, strife and contention between husband and wife, parents and children.

Wyoming declares we will see restoration of all those touched by broken marriages and families. We will see the truth of biblical marriage of being between one man and one woman and it will once again become the standard of not only our state, but this nation and that all other beliefs will end!

We ask for a release of the spirit of adoption within biological families and the family of God, so our children feel loved and cared about and secure in our love and God's love for them.

Love will flourish between husband and wife, parents and children, and will pour forth from the family structure to those around them!

**Tuesday** focus of **Education** fruit of **Joy** 2: Albany, Laramie, Platte, Goshen

Pray at public and private schools from preschools to colleges. Encourage elementary to college-aged students to pray at their schools, even forming spontaneous public prayer meetings on campus.

Wyoming calls for Kingdom minded believers to enter into the educational system of our state via teaching, administration or support staff rolls for our secular school system.

We decree the spirit of anti-Christ in our secular education system from elementary schools to our colleges and universities with a God-less world view would find themselves challenged on every level by students, teachers, and administrators.

Wyoming calls forth the people with wisdom and voice to begin to speak into these systems to return them to a Christian knowledge base.

Wyoming educational systems will foster joy in and through the teachers, students, and all employees, to be carried out into their communities.

*Proverbs 29:2 "When the righteous thrive, the people rejoice; when the wicked rule, the people groan."*

Our democratic form of government is meant to make and enforce laws in accordance with the Constitution, through a representation of the people and for the benefit of them. Decree that our Constitution will be honored and upheld by the current Executive, Legislative and Judicial branches of our government.
